

includes/f\_stack.hpp

```
graph TD; A[includes/f_stack.hpp] --> B[deque]; A --> C[stack];
```

A diagram illustrating a C++ header file's includes. At the top, a gray rectangular box with a black border contains the text 'includes/f\_stack.hpp'. Two dark blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left to a white rectangular box with a gray border containing the text 'deque'. The right arrow points diagonally down and to the right to another white rectangular box with a gray border containing the text 'stack'.
